

## **PRODUCT LIABILITY ATTORNEY**

Attorney wanted with 3-4 years of litigation experience to be part of a products liability team handling matters throughout the United States and Canada. The attorney will be involved in investigating personal injury and property damages claims, retaining, and working with subject-matter experts and counsel throughout the United States and Canada, handling all phases of litigation, and providing prompt and concise reports to the client. The applicant must have attention to detail, strong legal research and writing skills, and the ability to communicate well with clients, experts, and opposing counsel. Experience with fire investigations is a plus but is not required.
